The 38 SuperSport redefines reality, pushing the limits of high-performance, long-distance RIBs to breath-taking new extremes. Its unique staggered-engine configuration and extreme sea-keeping capabilities deliver an experience unlike anything else on the water. This is a boat designed to deliver the power, confidence and desire to explore like never before. With a pedigree that has seen it evolve from the 36 SuperSport – the RIB record holder of Round Britain, and the largest droppable boat in the world – the 38 is an unforgettable craft with the pedigree of a true endurance racer.
