The new V40 quintessentially showcases the dynamic exterior, exceptional seakeeping and voluminous space of our V Class. Her port light windows cascade across the length of her deep-V hull, flooding the saloon and cabins with light. When entertaining, her spacious cockpit enjoys a beautiful teak table and well-equipped wetbar in a striking oyster grey with an option to specify a convertible sunbed aft.

Below deck, her pewter grey and off-white colour palette depict the modern V Class look throughout. Her spacious saloon and well equipped galley combine for a highly sociable entertaining space, while both cabins exude contemporary style and generous proportions. The forward cabin has an en-suite bathroom with secondary access to the saloon whilst the aft cabin is fitted with sliding berths to provide easy conversion to a double when required.
