Motorer	Volvo Penta Volvo Penta D6-370 x 2
Motor	544 kilowatt
Hours	ca 1100 H
Type	Inboard
Drifttype	Stern
Brændstof	diesel

DIMENSIONER

Længde	13.56 m
Bredde	3.99 m
Dybt, ca.	1.07 m
Brændstof	850 L
Vand	330 L
Septic	Ingen
Tørvægt, ca	12000 kg

ANDET

Fabrikant	Princess Yachts Limited
Bådkategori	Power
Material	Fiberglass
Kahytter	2

Princess V42 MK3 – 2012 | 740 hp | Joystick | Hydraulic Bathing Platform

The Princess V42 MK3 is an elegant and sporty quality yacht that combines timeless design with excellent seakeeping and comfortable features for an active life on the water. With classic Princess lines, a practical sliding canvas sunroof and a spacious cockpit, she is equally suited to relaxed day trips and longer coastal cruising.

Built in 2012, she is powered by twin Volvo Penta D6-370 diesel engines with a combined output of 740 hp. Joystick control and a remote-controlled bow thruster make handling in harbour easy, while the chartplotter, radar, autopilot and AIS provide full situational awareness underway.

Spacious cockpit and generous outdoor areas

The cockpit is the natural social hub on board, with a sociable seating area, teak table and wet bar with sink and grill, perfect for long summer days at sea. Teak decking in the cockpit and on the bathing platform adds an exclusive touch, and the large hydraulic bathing platform gives easy access to the water.

Aft, there is a stern anchor winch with remote control, and forward she is fitted with an anchor windlass and stainless steel anchor.

Comfortable accommodation

Below deck, the V42 has a well-planned layout with two cabins, two heads and four fixed berths. The saloon converts into two additional berths, giving a total of six berths.

The interior features light carpets, off-white saloon upholstery and a clean, stylish look. The galley is equipped with a gas hob, combination oven with microwave and grill function, fridge with integrated freezer and practical solutions for extended stays on board.

The saloon has a TV and stereo system, and diesel heaters both below deck and in the cockpit extend the season and add comfort on cooler days.

Navigation and technical equipment

She has a well-equipped navigation package with a Raymarine Axiom 16 Pro and a Raymarine Axiom 9 at the helm. Radar, autopilot, AIS transceiver, VHF and GPS speed provide a solid basis for comfortable navigation.

A 4 kW Onan generator, shore power and battery charger give flexibility whether berthed in a marina or at anchor. The combination of powerful diesel engines, joystick, bow thruster and trim tabs makes the Princess V42 an attractive sports cruiser for those who want both performance and comfort.

Maintenance and history

The boat has been stored indoors and serviced by Hvaler Marinesenter AS.

The Princess V42 MK3 is an excellent choice for those seeking a sporty, elegant quality yacht with powerful engines, practical outdoor spaces and comfort for family and friends.

Equipment

ENGINES AND MANOEUVRING

- 2 x Volvo Penta D6-370
- Volvo Penta joystick
- Bow thruster
- Trim tabs
